Woden Green is a medium to long term staged development being undertaken as a joint venture with the ACT Land Development Agency.

Located on the eastern side of the Woden Town centre, this mixed-use development will incorporate office, retail and residential buildings.

Stage One will comprise a 17,000m² NLA office building on Callam Street. Construction is due to commence late 2008.

Stage Two will follow with a further 25,000m² NLA commercial office block on Wilbow Street. The final development is projected to include up to 700 residential apartments, a retirement community as well as retail and community spaces.
